

## 800 wide Vertical Cable Manager

### Features

- Allows organised controlled management of cables so airflow is not affected
- Ideal for fibre and copper applications
- Uses 'double' brush strips to minimise air loss

Available to fit 800mm wide SRA racks ranging from 12RU to 48RU. Plastic fingers allow for safe and secure management of cables. Hinged cable covers provide easy access to cables whilst maintaining an uncluttered appearance.

### Details

All vertical cable managers are made from 1.5mm powdercoated zinc annealed steel.

### Colour(s) (Dulux Part No)
